Men's soccer snaps winless streak

Going For The Goal

The St. Michael's Men's Varsity Soccer team doubled its wins from last season to render a 6-11 overall record and a 3-6 conference record. Under the leadership of co-captains Jeff Winterton and Mike Brown, the team had a season of ups and downs.

Although they didn't reach their high pre-season expectations, the soccer team played with great intensity and perseverance. Despite a losing record, Coach Les Johnson was quoted as saying, "This is the best team to play for me." The team re-

mains optimistic about next season despite the fact that they did not make the NE tournament. Both senior Jeff Winterton and freshman Dave Antonioli were selected to the 1st All-Conference team.

Kicking Pentagons

St. Michael's Women's Soccer completed the 1992 season with a 6-12-1 record. Having brought home only 6 victories, this record is no reflection of the talent contained within the team. Seniors and starters, Rachel Hatch (co-captain), Jennifer Voight (co-captain) and Joanne Wyckoff took the team to the NE-IO

playoffs for the fourth straight year that St. Michael's Women's soccer was ever qualified. The leading scorer, sophomore forward, Nicole Cremo let the team with 11 goals and 4 assists, and will be returning next season with 15 other players. Containing only three seniors, this year's team was young. Highly respect-

ed by their teammates, the seniors brought high intensity and skill onto the field, for following teams to continue. The future looks bright for SMC's women's soccer. With 16 returning players, the restructuring and rebuilding that took place this year, will payoff in the years to come.

Keeping The Pace

The 1992 SMC Men's Cross Country team finished a successful season, ranking 5th in their conference. They also ranked first in the SMC Invitational. Senior Co-Captain, Brian Turner had one of his most successful seasons ever. He was named All-Conference for the 3rd consecu-

tive year. Brian was 4th overall in the conference and was #1 in the Eastern Div. II tournament. Next season looks promising for this young team because even with the loss of 3 seniors, 5 out of the top 7 runners will be returning.

Back: Steve Daud, Coach, Brian Turner, Jim Austin, Brian Forrest, Jason Turner, Dan Johnson. Front: Margaret Ford, Coach Jeff McLane, Luis Pecchio, Brian Cauley, Robert Connolly, Zaf Bludevich, Coach.

Running Against Time

Since it's start in 1979, this year's Girls Cross Country team was the best SMC has ever seen. The 1992 team placed 3rd in their conference and placed 14th at the Eastern Conference Division II Tournament. Great performances and leadership

were taken on by Seniors Beth Mullane and 1st year runner, Julie Evans. With the success of this past season behind them the returning runners for the 93-94 season should do very well.

Coach: Steve Daud, Coach: Margaret Ford, Jean Finochetti, Julie Evans, Beth Mullane (Capt.), Erin Smyth, Susie Pothie, and Coach: Zaf Bludevich.

A "Slice" Of Victory

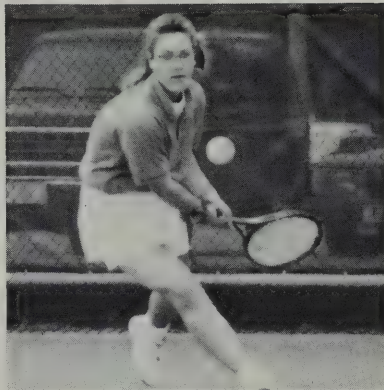

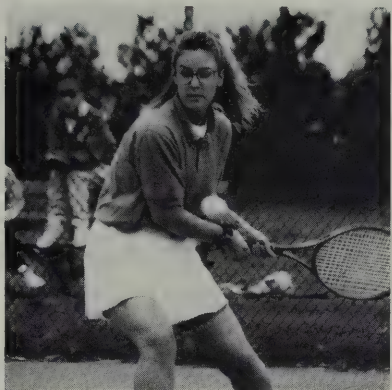

The St. Michael's Women's Varsity Tennis team was finally able to celebrate their first winning season since 1986, with a 6-5 record. The team was lead by senior captain, Sarah Maneikis, who had a 7-4 individual record at first singles. The Women Knights placed 7th in the NE-10 tournament. The 6th singles and 3rd doubles

teams that participated all used their conditioned strengths and skills to deserve commendable praise for their game. The Knights will be losing four seniors to graduation, Sara Maneikis, Deena Miller, Lindsay Hill and Kristine Kenniston. But the 1993-94 season looks to hold continued success.

Stick It To 'Em

The St. Michael's Women's Field Hockey team had a strong season, tallying an 11-5 season record. The Lady Knights' dedication and teamwork led to the team's success. Seniors Mendy Spillane and Marsha Spellacy were selected to the 1st All-

American team. Seniors Jen Brown and Barby Bell were selected for the 2nd All-American team. Although the season ended in disappointment, with the team not qualifying for the tournament, the team had much to be proud of. Also, even with ten se-

niors graduating, there is hope for the future.

Senior Mendy Spillane was only 3 points shy from being the SMC all-time high scorer.

Bottom row (L to R): Sue Flemming, Mendy Spillane, co-captain Rachel Neiger, co-captain Jen England, Suzanne Denault, Marsha Spellacy. Spike-It!

Thirteen proved lucky for the St. Michael's College Women's Volleyball team as it tallied 13 wins. Slashing serves, multiple set-ups, slam dunks, and diving saves qualified the team for the 1992

NE-10 tourney. Under the leadership of new head coach Rick Gouse and new assistant coach Greg Davis, the Lady Knights were successful amidst a time of change. With three graduating

seniors, including Kim Beatty who was selected for the All-Conference team, and the remaining players sophomores and freshmen, the future looks bright for the Lady Knights.

Tee It Up!

The golf team had another year of adjustment, frustration, and improvement all at once. Highlights for the year included a 5th place finish among 21 teams in the E.C.A.C.'s. Individually, senior co-captain Tony (Boom-Boom) Keane posted many top scores while senior co-captain Roy Hathorn was hampered by back injuries and unable to re-

peat his stellar 1991 feats. Keith (Pass the Pepto) Micavich was the most consistent player for the team this year. Other notables included Mike King (of Swing), Matt (Really, I am Good) Novak, Kevin (I Quit) Patterson, Kurt (Only if I Could Putt) Liebegott, Pete Mongeau, and freshman sensation Ryan (Mr. 4.2) Sutton.

Building A Bright Future . . .

1992 was a historic year for the sport of Rugby at St. Michael's College, marked by its recognition as a campus sanctioned club and the emergence of the Women's Rugby team. Under the guidance of Coach Rob Fardin, President Lisa Zaferakis, and elected officers Morgan Sadler, Betsy Naughter, Diana Dunbar, Amy Armstrong, and Trish Petrozzo, a team of 30 women gathered daily

to practice until the dwindling hours. The SMCWRFC played other women's clubs in the Tri-State area. Although the team ended its season without a win, they were victorious in their efforts and dedication. All in all, the Lady Knights leave the year with the knowledge of a new game, a desire for success, and hopes for an even brighter future.

Fitting The Pieces Together

The 1992 season brought success as well as a renewed sense of belonging to the St. Michael's Rugby Club. The program began the Fall season with high hopes and a number of goals in their sights. Things looked good from the start as for the first time in the 9th year of club history, the rugby team was welcomed to play on campus with recognition from the Student Association. From there the season only im-

proved. As a second year member in the NE Rugby Football Union Division III, the squad was underestimated within the league. Yet, they were determined to make their mark and leave a mark they did! The rugers went undefeated in regular season play; tallying a perfect 6-0 record, convincingly defeating several league rivals, and capturing the Lawrence Conference Title. An invitation to the NE

Championship brought the team to Worcester on Nov. 7th for an eight team tournament comprised of the best Div. III talent in all of New England.

SMC played three matches, defeating Wentworth 10-7 in the finals and capturing the NE D-III Championship. The championship win capped off a 9-0 season with the ruggers outscoring their opponents 214-25.

The Season That Never Ended

Stopping By Woods On A Snowy Evening

Whose woods these are I think I know.
His house is in the village though;
He will not see me stopping here
To watch his woods fill up with snow.

My little horse must think it queer
To stop without a farmhouse near
Between the woods and frozen lake
The darkest evening of the year.

He gives his harness bells a shake
To ask if there is some mistake.
The only other sound's the sweep
Of easy winds and downy flake.

The woods are lovely, dark and deep,
But I have promises to keep,
And miles to go before I sleep.
And miles to go before I sleep.

Dribbling Circles Around The Rest

The Purple Knights ended their season with an overall record of 14-13, 6-10 in the NE-10. Their season came to a halt with the loss to Saint Anselm in the NE-10 quarterfinals. The Purple Knights are losing five seniors: captains Timmy MacDonald and Alexis Sherard, Monroe Blakes, Juddy McDonald and Dave Bierwirth. Timmy MacDonald came to the Purple Knights as a walk-on. Through his hard work and hustle, he earned himself a spot on the team and eventually became

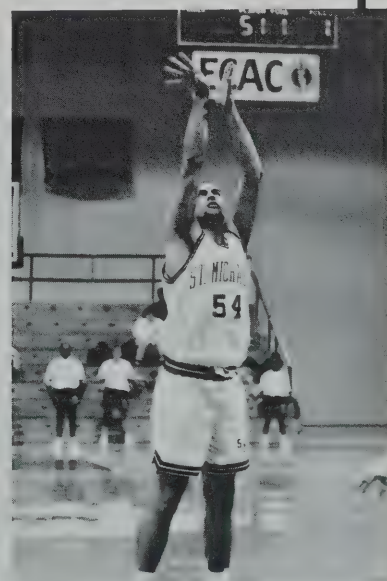

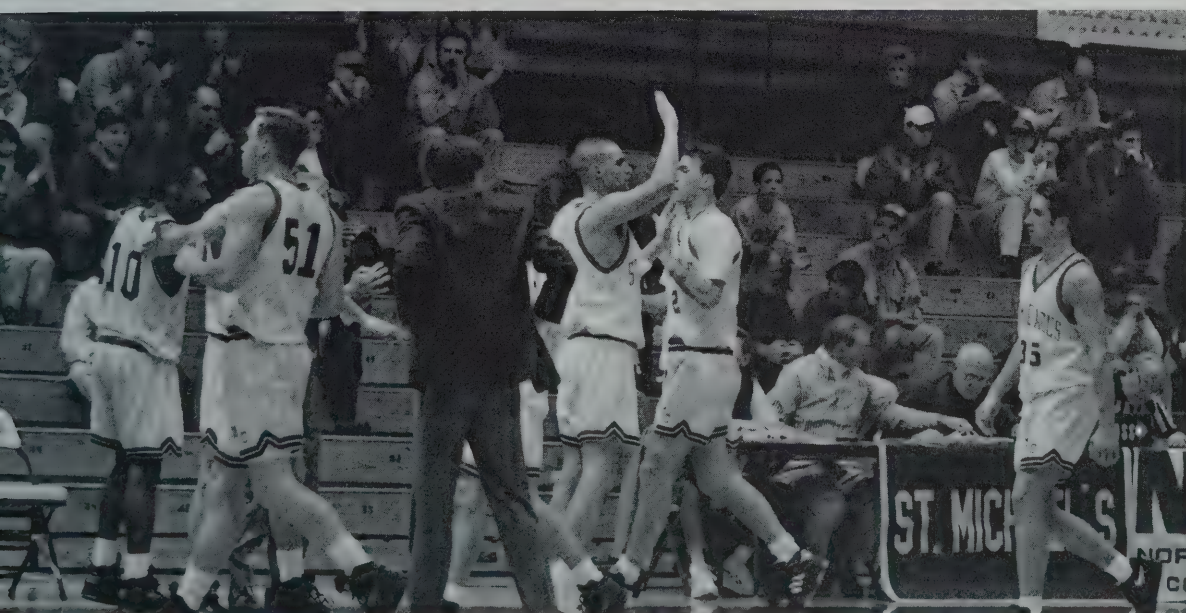

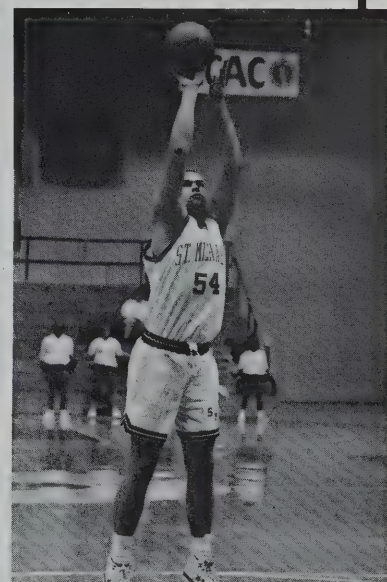

captain. Alexis Sherard was a key cog for the Purple Knights. His extreme quickness led him to be one of the best defensive players in the NE-10. Coach Crowley assigned him to shut down the opposing teams strongest players. Monroe Blakes led the Knights in scoring with 16.5 points a game. He was one of the premier players in the NE-10 this season. He leaves Saint Michael's with 1,288 career points. Juddy McDonald averaged 15.2 points a game, while nailing 73 3-pointers this

season. Juddy passed the 1,000 point plateau in his last game. He ended his career with 1001 points. Dave Bierwirth was one of the teams purest shooters. Dave was often called upon when a 3-point-er was needed. The highlight of the Purple Knight season occurred when the men won the Doc Jacobs Tournament. Juddy McDonald was elected tournament MVP, while Monroe Blakes was elected to the all-tournament team.

Up And Over The Rim

The St. Michael's Women's Basketball Team ended its season with a record of 16-11, 9-9 in the NE-10. The season started out promising as the Lady Knights won eleven of their first twelve games. The highlight of the season occurred when the Lady Knights were ranked 2nd in New England and 12th in the nation. The regular season ended with a 74-71 loss to St. Anselm's in the quarterfinals of the NE-10 tournament. It was a hard fought game that came down to the final seconds. It was a hard loss for the

team. Yet the season turned brighter with the ECAC Division II tournament. Unfortunately, they lost in the first round to Keene State 67-70.

The Lady Knights will be losing senior captains Amy Molina and Mary Kerins. Coach Sue Duprat said that this was one of the best graduating classes; the two seniors will surely be missed. Amy Molina led the team, as well as the NE-10, in scoring with an average of 19.3 points per game. She ended her career 5th on the NE Division II scoring list with 1,933

points. She was selected as player of the year in the NE-10 and is a candidate for All-American.

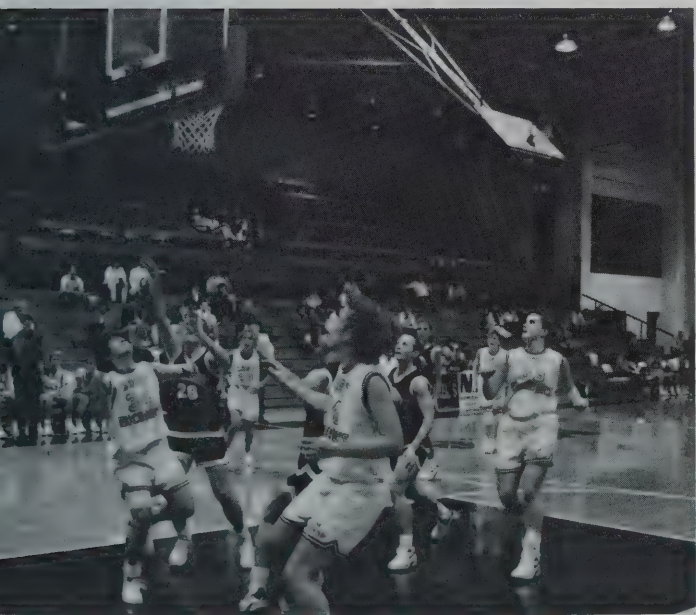

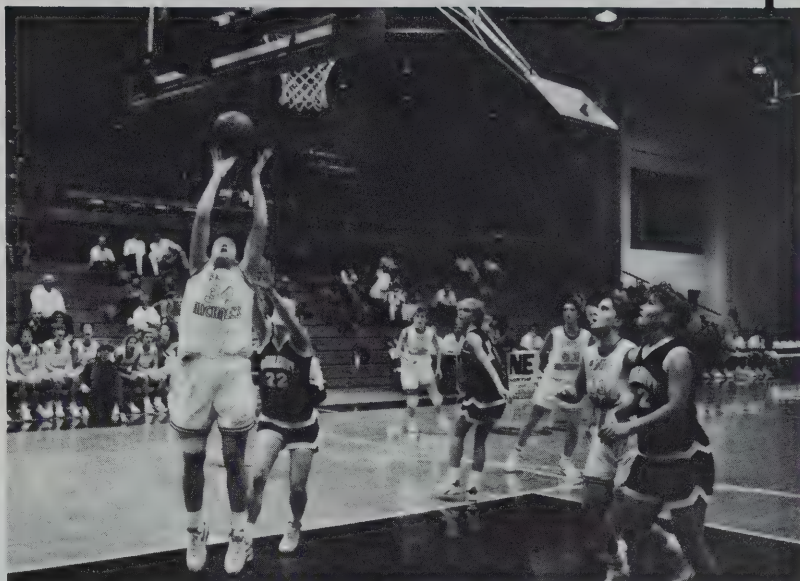

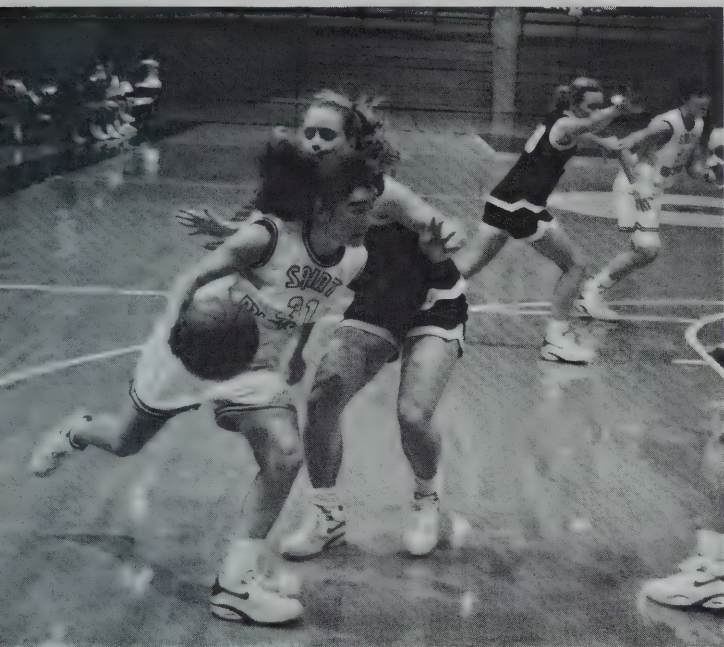

Mary Kerins averaged 9.9 points per game. She moved to 2nd place on the St. Michael's all-time assist list. She was only the third player to make over 100 3-pointers in her career.

Lynne Liebhauser averaged 10 points per game and Katie O'Brien 7.4 points per game. Kathy Zeng, Amy Toland, and Kathy Whitlock were also key players for the Lady Knights this season.

Youngbloods of '93

The 92-93 Ice Knights, led by co-captains, Brian Murphy and Sean McDaniel, finished the season with a record of 6-16-1. The team will graduate 6 seniors, including leading scorers, Mark Needleman, Andy Northup, Brian Murphy, Dave Berry and Sean McDaniel. Senior Derek Rynne was also a strong contributor on defense. The Ice Knights struggled this season but showed signs of improvement in the last

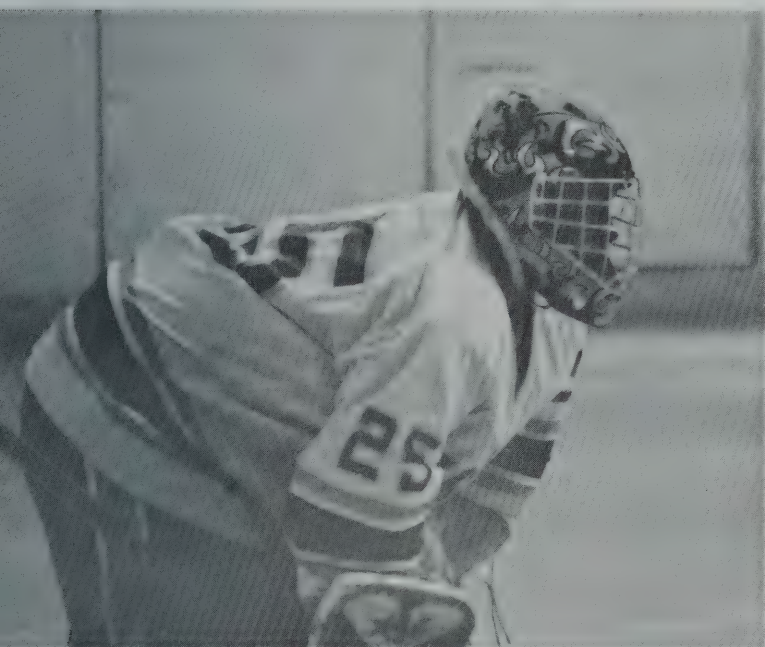

2 weeks of the season by upsetting 2nd place Suffolk. The future looks bright as the Knights will return many young players with plenty of experience. Returning defensemen, Brendan Kelleher, Peter Mongeau, Kevin Kiley and Steve Tomczak will solidify the blue line while forwards, Adam Wansiewicz, Joel Taplin, Eric Steverman, Matt Gill, George May, John Acunto and Rob Ryan will enhance the offense. The Knights

will miss the services of Mark Needleman, who will finish his career as the 4th leading scorer in SMC history and Brian Murphy, who graduates with 7 SMC records, including most points by a defenseman. Coach Dimasi will have a young team next year, but returning veterans include the strong goaltending trio of Jed Doucevicz, Will Coogan and Seth Achilles.

Hitting The Slopes

The alpine teams continued their tradition of excellence this season, finishing third in the Division II EISA Championships. Captain Lori McClallen '93 and Jennifer Coan '95 finished 2nd and 4th respectively in Division II overall standings. The teams placed five skiers on the EISA All-

East Team. From the women's team, Lori McClallen '93, Jennifer Coan '95, Gretchen Amerin '94, and Jodie Bush '93 were named while Eric Steiner '96 was also honored for the men's team.

Led by McClallen and Coan, the women's team was honored for

their outstanding efforts in Division II by receiving invitations to the Division I NCAA Championships at Middlebury College. McCallen, Coan, Amerin, Bush, and Kate Mullany '96 received invitations for the event and Steiner was alternate to the event.

Gretchen Amerin, Jodie Bush, Scott Cerreta, Jennifer Coan, Ryan Diller, Lori McClallen, Bill McGilivray, Kate Mullany, Patrick Simmons, Erik Steiner, and Karen Van Dyke.

The Nordic Team Skiing Forward

Although it was the smallest SMC team, the nordic ski team had a very successful season. With 3 veteran seniors and 3 talented freshmen, they managed to place consistently in the top 3 among Div. II rivals. After winning their Jan. home meet in Craftsbury, VT, they went on to place 3rd overall in Div. II championships in Waterville Valley, NH. The men were led by senior Ed Storey, who skied to several top finishes over the season. He was closely followed by senior captain Jeremy Spohr, who also placed in the top 10 on several occasions. Fr. Craig Davignon rounded out the squad with several top 15 finishes to his credit.

The women were led by Sr. captain, Kristen Lohmann and Fr. Heather Cote, who together skied to top 10 finishes in almost every race. The women's squad was rounded out by first year skier, Susie Pothier, who also placed consistently well. The season was culminated with Storey and Cote being named to the Div II All East team and Lohmann and Spohr receiving honorable mention. These 4 skiers went on to ski at the Eastern collegiate Championships in Middlebury, VT. The season was a great success due to the dedication and consistent performances.

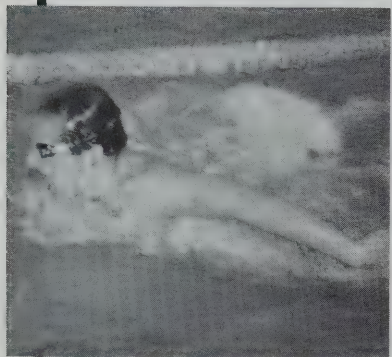

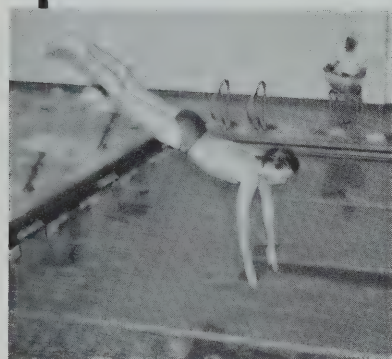

Men: Jeremy Spohr, Ed Storey, Craig Davignon, Luke Tougas, Tim Flynn. Women: Kristen Lohmann, Heather Cote, Sharon Alessi, Allana Moore, Susan Pothier.

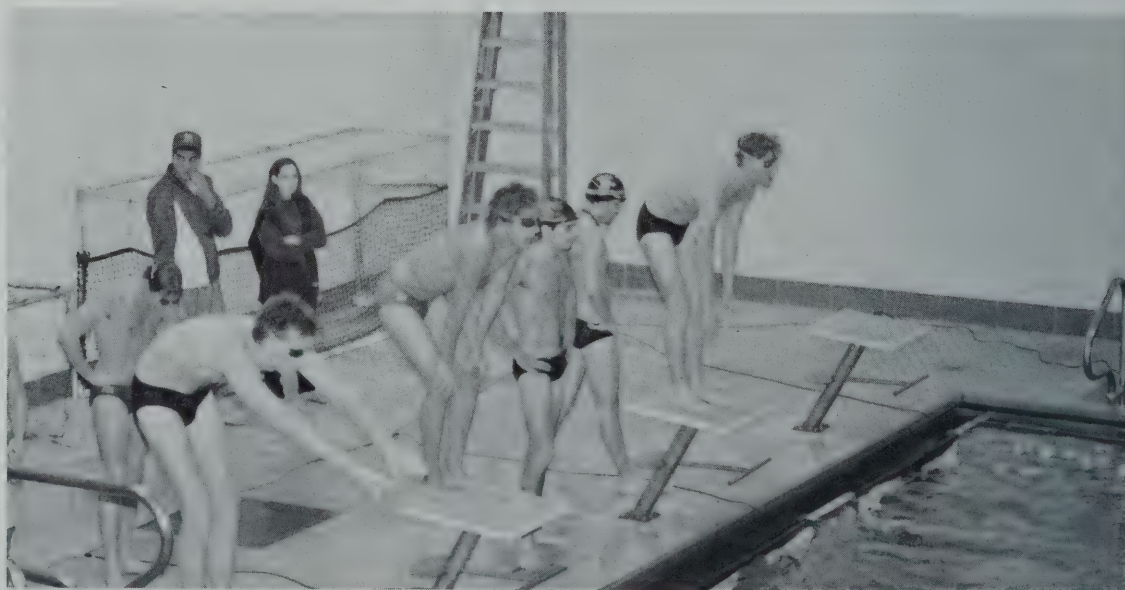

Catch Them If You Can.

The men's swim team had a great season this year. Led by senior captains, Charles Brewer and David Lardizzone, the men's record was 6-8, compared to last year's of 2-11. Sophomore Sean Corrigan was this season's MVS, scoring 207 points. Sean was also involved in breaking 7 school records. The men lost two meets by 10 points or less and are looking for revenge

next year. With the continued improvement of current swimmers and potential recruits, the men look to bring their record way above .500. This year the men also sent swimmers to compete in NE swimming and diving championships, held at UCONN in February. The swimmers were Brewer, Lardizzone, Corrigan, Mike Gavin, Sean Stevens and John Swan.

Making A Splash!

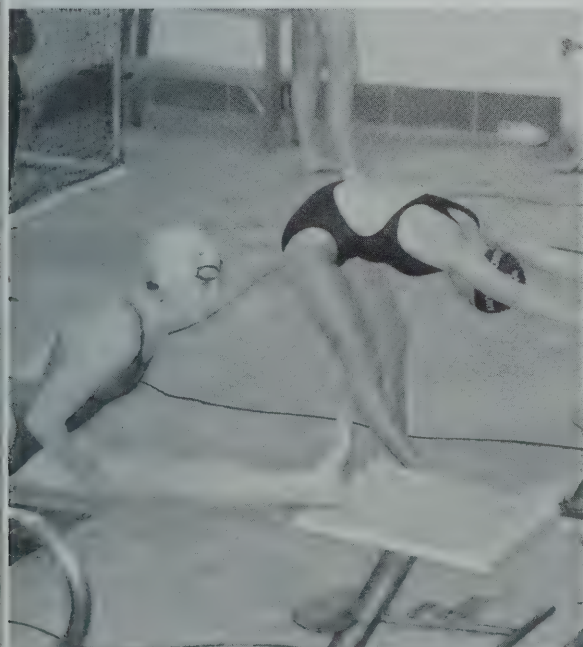

The St. Michael's Women's Swim Team finished its best season ever with a winning record of 11-4. Eight records fell this season. Senior co-captain Amy Foley, named a NEWISDA swimmer of the week, broke the 100 fly, 200 fly, and 200 backstroke records. Senior co-captain Jeanne Zadrozny now owns the pool record for the 50 freestyle while Michelle Richard, also named a NEWISDA swimmer of the week, rebroke her own records in the 1000 and 1650 freestyle. These three swimmers, along with freshman Kristine Jacobs, combined to break the 400 and 800 freestyle relay records. At the New

England Division I and II Championships, Zadrozny became the second swimmer in St. Michael's history to score individually, placing 13th in the 50 freestyle, tying for the highest placing ever. Zadrozny won the team's high point award and was named MVP while Jacobs was given the coach's award.

The team will be losing Foley, Zadrozny, and senior Jennifer Bianchi to graduation, but the talent of the underclassmen looks as if it will bring them another winning season.

Jen Bianchi, Amy Foley, Jeanne Zadrozny, Colleen Crossman, Kristin Lacey, Samantha Lemmon, Michelle Richard, Tabitha Arnini, Lindsey Herrick, Kris Jacobs, Claire McCarthy, Renee Martel, Jennifer Miller, Christi Turnbull.

College Republicans

College Democrats

(L to R): Jessica Zarbo, Jason White (President), Tim Shyne.

The College Democrats of St. Michael's were a big part of the change that occurred in 1992. We proved that our generation can make a difference in choosing where America is going. We were a small but dedicated group that wanted to be a part of changing history, and we did. We worked on a campaign that included us and listened to us. We can now look with pride at President Clinton and know that we helped put him in the White House. The spirit of the Democratic Party will never leave the hallowed halls of St. Michael's.

Amnesty International

Amnesty International sets out to work for the human rights of people worldwide. The group mainly works with each student writing a couple of letters each month, expressing their concern about prisoners of conscience and human rights. Amnesty International also works for student awareness concerning controversial issues. The worldwide issues concern violations of the International Declaration of Human Rights. The St. Michael's chapter of Amnesty International is sponsored by the Peace and Justice Society.

The Rescue unit provides emergency medical care to Winooski, Williston, Hinesburg, St. George, and parts of Colchester. This unit also provides high rise infant transports for all of Vermont and parts of New York, New Hampshire, and Canada. The Fire unit responds to calls in the towns of Colchester. In all, the department answers close to 1500 calls annually.

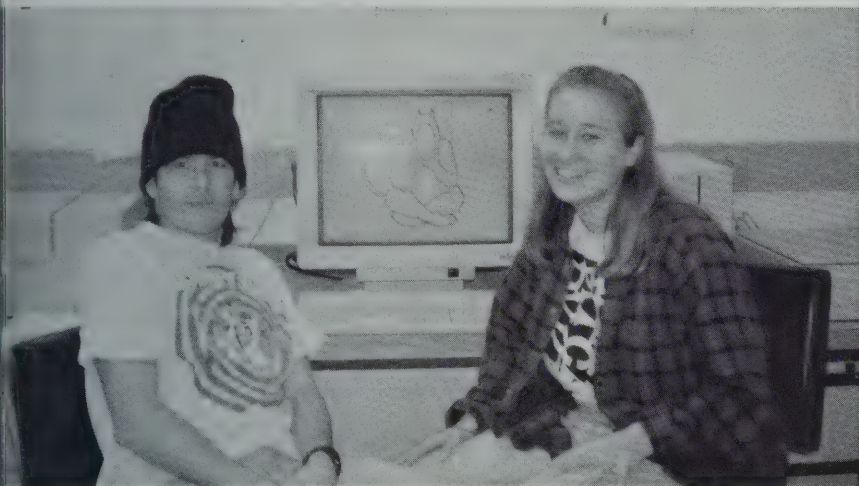

The Defender

The Defender is the weekly newspaper on campus put together entirely by students. Matt Mowry, Executive Editor and Deena Miller, Managing Editor, led a core group of 5 students each semester. With a news, editorial features and sports, *The Defender* is circulated on campus and throughout the Burlington area. Caffeine, bagels, and music from 'PV kept us awake on weekends and into the early morning hours to make sure the paper was out by Wednesday morning. Some of our favorite projects this year included coverage of the presidential campaign and amazing people at SMC and a spoof issue, "The Offender."

Student volunteers are a vital part of the Admission office. While the Admission staff provides basic direction and management, it is the S.A.A. that rounds out the program with those extras needed to make prospective students visit. The S.A.A. members work with different admission projects. The majority of students begin as tour guides, showing prospective students and their families around campus. In addition to daily tours, the volunteers are involved in all the special events. These include the Fall Open House, day and overnight visits, mini-visitation days, the letter-writing campaign, the phone-a-thon, and the Hometown High School visit program. The impact of these volunteers has a tremendous effect on the whole admission process.

Discover

Parent's Weekend

Parent's Weekend needs no explanation. It is a campus-wide event, encompassing students, clubs, and planned events. A student-run Parent's Weekend Committee coordinates all the Weekend's activities and makes the annual event fun for both parents and students alike.

Aware

Ambitious Women Aiming for Respect and Equality was founded in 1992 and is aimed at protecting women's rights.

Clockwise: Sarah Palmer, Edith Ducan, Judith McIntosh, Janeese Lucca, Shauna Maloney, Karin Briggs, Annie Sanner.

Women & Family

Women & Family volunteers have been busy this year working on both long and short-term projects. Our long-term commitments involve working weekly with families from The Transitional Housing program or visiting with people at The Family Room. Through this, strong relationships and friendships have been developed. This is an everlasting reward. Women & Family has also helped the Humane Society, The Family Fire House Shelter, and members of the community by helping at various painting projects, yard work, fund-raising events, and other activities. The members of Women & Family have contributed greatly this year. The satisfactory feeling received by helping others is the greatest reward.

ROTC

MOVE

Mobilization Of Volunteer Efforts

MOVE is an acronym for Mobilization of Volunteer Efforts. We are in an Office Of Community Service dedicated to fulfilling three basic goals:

1. raising consciousness concerning global social challenges and encouraging SMC community members to confront these challenges at local levels
2. filling critical "real" needs with direct service (ie: serving dinner at a shelter for homeless men, or running an After School program for needy kids in the Burlington area)
3. fostering relationships (between SMC students, faculty, staff and members of the Chittenden County Community and communities throughout North and South America) that will help to eradicate the often misleading and abstract categories associated with social problems like "illiteracy", "homelessness," "at-risk youth", and "victims of domestic violence." We encourage people to see

beyond the social science classifications and to meet the real people, with faces, names and families, behind the terminology.

At the present time, MOVE involves approximately 120 students and 125 faculty, staff and alumni in a variety of service programs. We have high commitment mentoring programs for people who are interested in spending time every week with a child or senior citizen in the local area, one shot projects for those who choose to participate in one-time-only service projects for a few hours, as well as monthly programs and projects like our Extended Service Programs that offer volunteer opportunities in Caracas, Venezuela, Selma, Alabama, Berea, Kentucky, Long Island, NYC, Hartford, CT; and Washington, D.C. Whatever you are interested in, kids, adolescents, seniors, homeless people, education, athletics, we encourage you to get involved with the hundreds of other givers at SMC!

Senior Citizens' Program

Members: Suzy DuMont, Mandi Symons, Ingelcia Simas, Jose Peralta, Steve Garbarino, Neila Anderson-Descelles, Joanne Couture,

The Senior Citizens' volunteers have been extraordinary this year. They have formed many lasting relationships with the seniors and have been very willing and dedicated. We have so many volunteers that we were able to extend our services to another nursing home. We work not only with the Ethan Allen Residency, but also with the Burlington Covalescent Center. Our programs include playing Bingo with the residents, holding "News and Views sessions", and putting on coffee houses. Both residences have managed to open our eyes as well as our hearts. We also held our third annual Senior Prom for the area's senior citizens. More than sixty seniors showed up and we enjoyed crowning a Prom King and Queen. It was an experience that we will always remember!

Class Gift Victory Party!!!!

Hard work and great class participation and \$32,000 in pledges was the end result of the Class '93's Senior Class Gift Drive. After much contemplation the majority of the class decided on an endowed scholarship for the deceased members of our class. Off to a slow start, the class gift with the help of its members finally got the ball rolling.

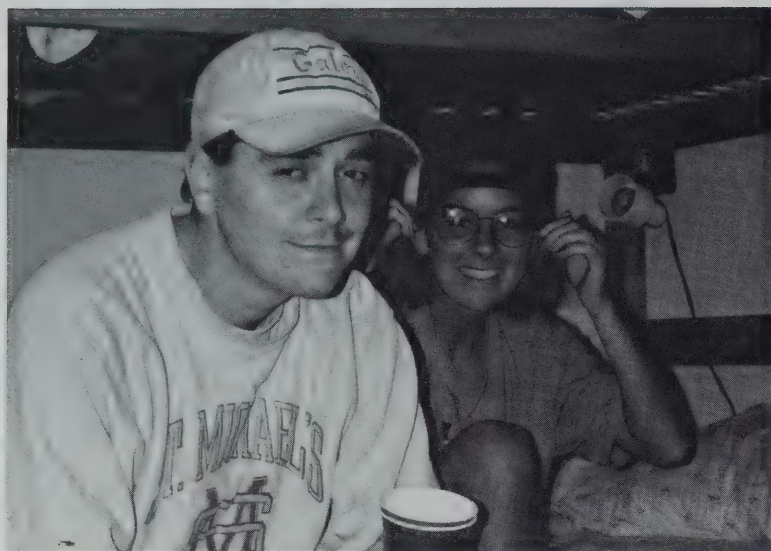

Pledges started coming in and challenges were set and met. Jennie Cernosia challenged the class that at \$15,000 she would cook someone dinner. Prof. Bolduc shaved off his beard at \$25,000. Along with these met challenges other seniors won raffles. Karen Schultz won a ticket for the Fire & Rescue's Saab raffle, Sarah Bowen won a din-

ner for 4 at the Inn at Essex and Jill Capobianco was the lucky winner of Jennie's dinner. The Victory Party was held on Feb. 13th in the Rat. Various people spoke towards the importance of giving. Dr. Paul Reiss accepted the check on behalf of the College. Challenges were met and the Class of 1993 Scholarship is on it's way.

Sticking Together

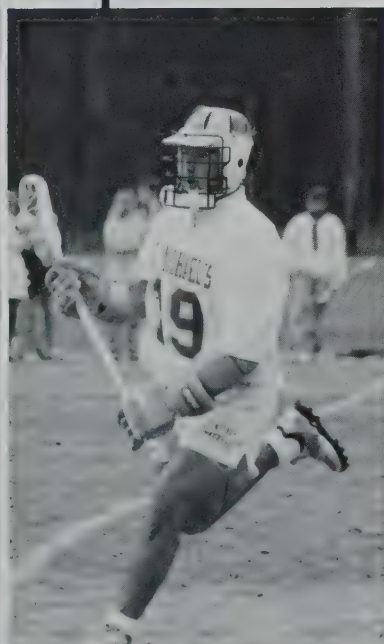

The SMC Lacrosse team had to overcome much adversity. Due to the large amount of snow, the team had to practice at the North Campus gym up until their first game of the season. The team is composed of mostly freshmen and sophomores, with only 6 jr's and one senior. The

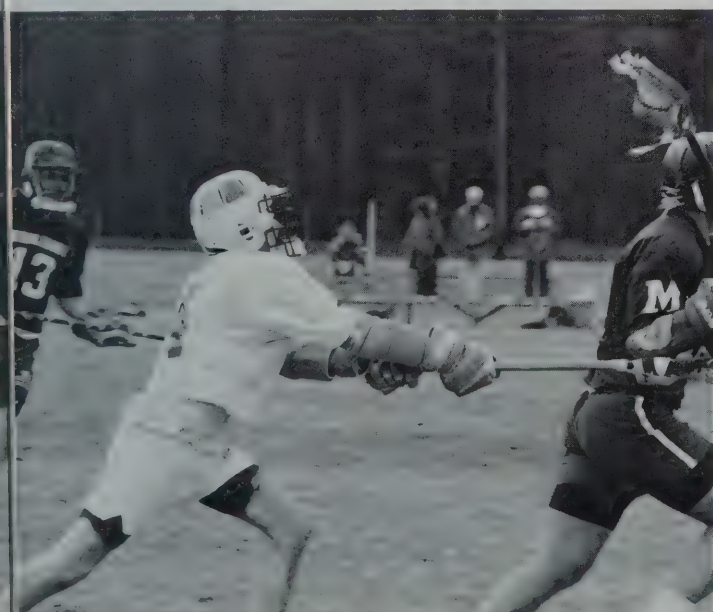

team was led by Senior Captain, Derek Rynne and Junior Captain Bob Pierman. The team's leader in points and goal's scored was Matt Pagen with 43 g's, 20 a's followed by Brandon Lockyer with 17 g's, 11 a's and David Yates with 21 g's, 4 a's. The Defense helped keep the team in many

games with strong play from Derek Rynne, Dan Delguirrio, Kevin Welch and Ryan Sutton, who played outstanding in his first year in goal. The team finished 5-5 and are looking to have an even better season with a good core of returning starters.

Richard Acton, Matt Carmichael, David Collins, Philip Conley, Michael Crouse, Dan Del Gurecio, Ed Del Guercio, Kurt Dillmier, Derek DiVenere, John Donovan, Chris Hermann, Stephen Jalbert, Brandon Lockyer, Brian Langenfeld, Fred Lorenz, Matt Pagen, Steven Paradixe, Bob Piermann, Michael Simonelli, Ryan Sutton, Eugene Tangney, Keven Welch, Dave Yates, Matt Hines, Derek Rynne, Jeff Krebs, Seth Achilles, David Daranian.

"Check" Them Out!!

The St. Michael's Women's Lax team got off to a slow start due to the prolonged snow and rain. Their extra long pre-season seemed to pay off. Coaches Mar-

ikate Kelly and Eileen Blackwood lead them to a final record of 5-3. Liz Wood was the high scorer with 22 points followed by Christine Sullivan. Meghan Gately and

Amy Ford were very strong forces. All of the seniors will be missed but next year's team looks to be promising with the return of many underclassmen.

Heather Ahearn, Alison Andrade, Kimberly Beatty, Shannon Cadres, Anastasia Cioni, Michelle Comeau, Sharon Dempsey, Erin Donoghue, Edith Duncan, Tara Egan, Amy Ford, Megan Gately, Christine Hallam, Kelly Hankard, Kamie Huston, Kelly Joinnides, Sarah Jordon, Jennifer Kay, Kim Kennedy, Deborah Maher, Christine Masalbas, Lisa McDermott, Robin Milo, Beth Mullane, Elizabeth Nicolazzo, Elizabeth O'Donnell, Denise Owen, Sarah Palmer, Dawn Plankey, Christine Sullivan, Alexandra Von Knorring, Shannon Wells, Elizabeth Wood, Regan Young.

Sliding Home

This year the St. Michael's Mens Baseball team obtained their best Northeast-10 finish (8-10) since the beginning of the program back in 1989. It's overall record was 10-20. Because of terrible weather the program was forced to play their last 22 games in 21 days. Despite the condensed

season, much of the Purple Knight's progress over the last season was due to the strong hitting of Seniors, Brent Tremblay, Andy Starr, and Brian Rayder; Junior Sean Finnell, and Sophomore Drew Hamilton. The team also exhibited a consistently strong defense. Although the team is

losing Seniors, Brent Tremblay, Andy Starr, Jeff Boucher, Brian Rayder, and Mark Forgues, the team looks to improve upon this years progress behind the pitching of Rob Hopper and Nick Koman, and the continuous winning of Sean Finnell, Drew Hamilton, and Brian Torpey.

Throwing Strikes!!!

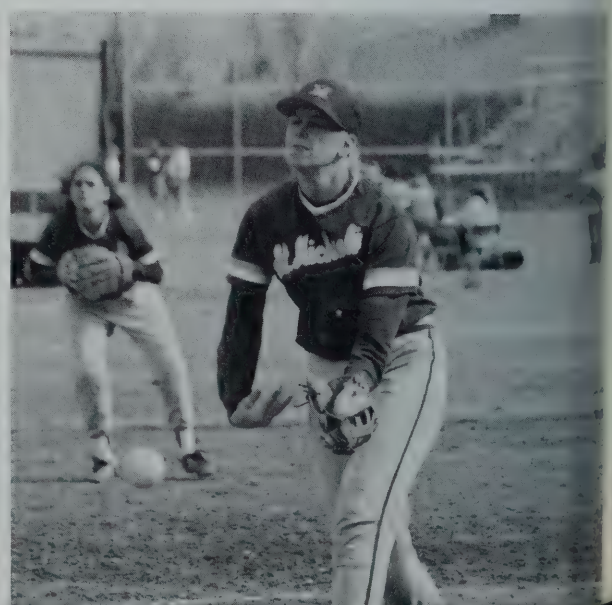

The SMC Softball team had some tough challenges this season. The wet weather gave them a late start, but the young team can

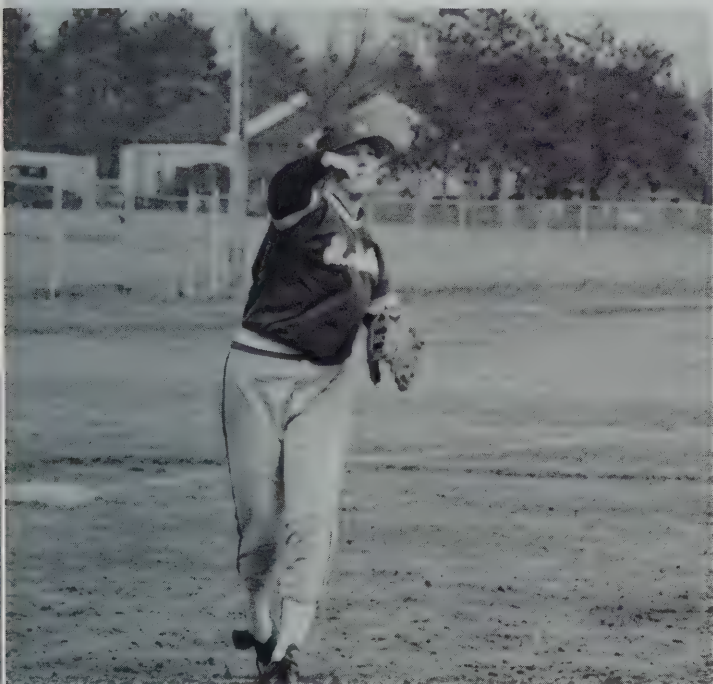

look forward to the next year's season led by Christine Cole and Raegan Jenkins with the leading players. Despite the Lady

Knight's 2-18 record they look to improve with the return of all their players.

Kevin Birch

Rob Woodman

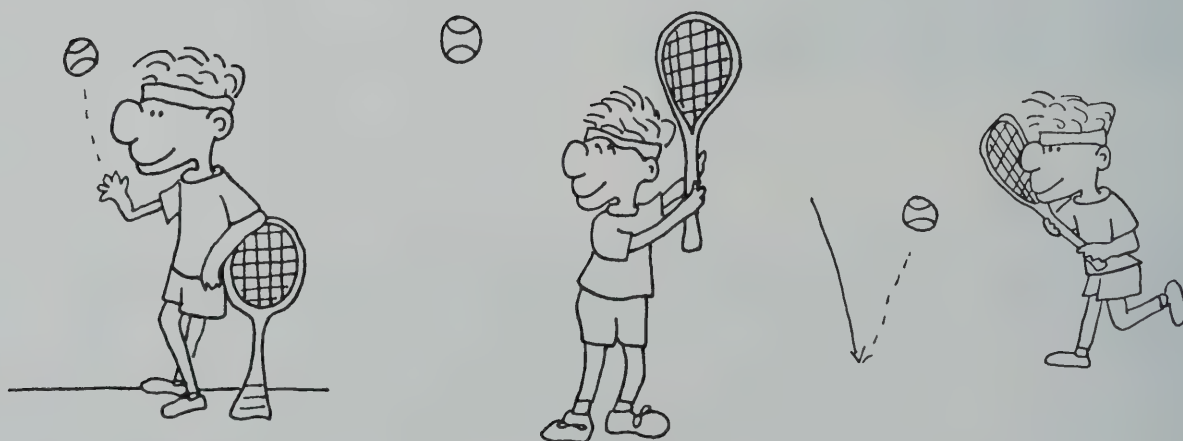

Phil Noto

The 1993 Men's Tennis Team experienced one of the best seasons in the history of the program. The team finished a best-ever fourth in a very competitive Northeast-10 conference. Sporting an 8-3 record, The team was backboned by Seniors Rob Woodman, Phil

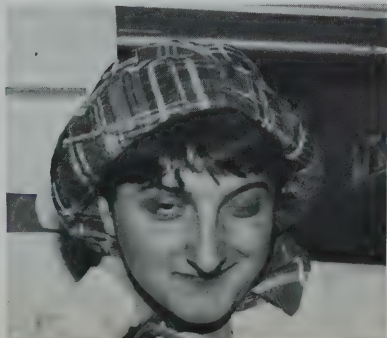

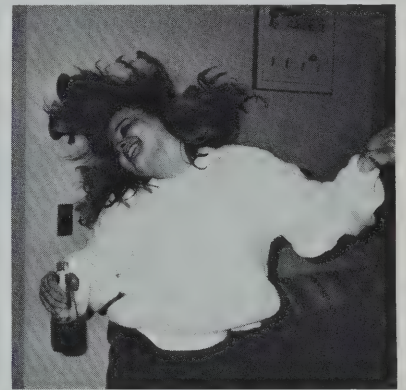

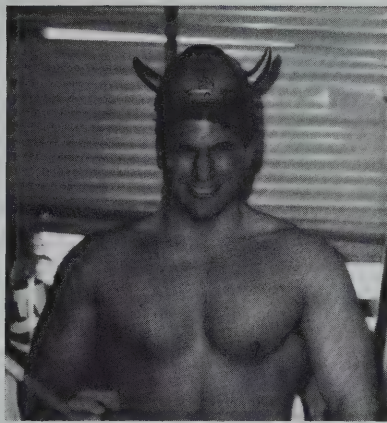

Noto, and Captain Kevin Birch. Coach George Shaw was instrumental in the shaping and improving of this team whose record has steadily bettered in each of the last 4 seasons. Despite the inclement weather and playing eight out of the eleven matches on the road, it was a

very successful season for the Racquet Knights. The team however will have its work cut out for itself next year as three starters are lost to graduation.

In Loving Memory . . .

REMEMBER ME

To the living,
I am gone.
To the sorrowful,
I will never return.
To the angry,
I was cheated.

But to the happy,
I am at peace.
And to the faithful,
I have never left.

I cannot speak,
But I can listen.
I cannot be seen,
But I can be heard.

So as you stand upon a shore,
Gazing at a beautiful sea —
Remember me.

Remember me in your heart,
Your thoughts,
And your memories
Of the times we loved,
The times we cried,
The times we fought,
The times we laughed.

For if you always think of me,
I will have never gone.

Four years at SMC were kept busy with work, good times and bad,
and held together with our great friendships. The journey is over .

We Made It!

The 1993 Hilltop Is Dedicated To:

Dave Landers

Words cannot express the emotion and appreciation felt at the moment of dedication.

This year's Hilltop dedication process was not as difficult as we anticipated. One name popped immediately into the three of our minds, and when we presented it to our staff, the decision was unanimous.

Whether you know this person personally or as just a familiar and friendly face on campus, a great deal of warmth and care has always been shown. Through our best moments at St. Michael's and our worst, we have always known that we can count on this friend.

Over the past four years, his role in the St. Michael's community extends far above his job description. Either at outside activities of diverse programs, the Class of 1993 has experienced many examples of his hardwork and dedication. He has touched the lives of many and on behalf of the Hilltop Staff, we proudly present the 1993 yearbook dedication to DAVE LANDERS.

A Message of Caring for the Class of '93

TO: Todd DiOrio and fellow classmates

Congratulations! You are now members of a fairly elite club - college graduates! The percentage of the population who belong to this club is quite small - you should be as proud of yourself as your loved ones are proud of you!

The doors of opportunity open for brief moments of time. Take advantage of as many opportunities as you can. By making educated decisions at each of life's crossroads, hopefully you will be right more than half the time, and when wrong, be able to make corrections in your course.

As you know, your college experiences were more than just academic. Learning takes many forms. Never stop learning! It's a lifelong process necessary for staying vital. Don't set narrow limits and always strive to broaden your horizons - both personally and professionally!

Don't be afraid to work hard to get what you want - it's much more satisfying! Remember, footprints in the sands of time are usually formed by workboots! Congratulations again!

Todd, you are everything we ever wanted; we love you just the way you are!

Love and Caring, Barb and Joe DiOrio

The years have flown by and you have grown from a sweet little girl into a beautiful young woman. Your commitment to challenge and growth towards education and life's experiences are truly impressive. The dreams in your heart today will become tomorrow's realities. We will always stand by you in your future endeavors. We are so very proud of you. Congratulations and God Bless You. Love, Mom, Dad, Mary, Mike K.K., Chuck, Paul, Vin and Nikki.

Gavan, We are immensely proud of your accomplishments during your last four years. For you, it was a period of enrichment, lasting friendships, a coming of age. This picture, though taken long ago, could well be you today. We see, in those eyes, that same thoughtfulness, loyalty, and perceptiveness. It brings to mind the closing line of your favorite poem, "One could do worse than be a swinger of birches." Love Mom, Dad, Justin and Rory.

Kathleen O'Conner:

The Last Turn Of The Kaleidoscope

And As He Spoke, He No Longer Looked To Them Like A Lion; But The Things That Began To Happen After That Were So Great And Beautiful That I Cannot Write Them. And For Us This Is The End Of All Stories, And We Can Most Truly Say That They Lived Happily Ever After. But For Them It Was Only The Beginning Of The Real Story. All Of Their Life In This World And All Of Their Adventures In Nornia Had Only Been The Cover And The Title Page: Now At Last They Were Beginning Chapter I Of The Great Story, Which No One On Earth Has Ever Read; Which Goes On Forever; In Which Every Chapter Is Better Than The One Before.
